**Subject:** Intimation of Onsite Training Program for MUHS-Digital-Consortia at Your Campus...

Dear Sir / Madam,

Greetings from Maharashtra University of Health Sciences (MUHS).

We sincerely thank you for your active participation in the MUHS-Digital-Consortia. To ensure optimum utilization of the e-content and resources available under this initiative, proper training of faculty and students is essential. Therefore, the University has arranged an onsite training program on MUHS-Digital-Consortia for your institution in collaboration with the service provider of this project, as per the enclosed training calendar.

In this regard, you are requested to kindly adhere to the schedule and take note of the following important points to ensure smooth and effective conduct of the program:

**Mandatory Participation:** - It is compulsory for all affiliated colleges and institutions to attend the training session as per their allotted schedule.

**Adherence to Schedule:** - Each institution must strictly follow the designated date and time allotted for the training.

**Logistical Arrangements:** - Colleges are requested to provide a suitable venue with adequate seating, reliable internet connectivity, microphone and projector facilities.

**Device Readiness:** - Participants are encouraged to bring laptops, tablets, or mobile devices for hands-on activities, including mobile application training.

**Awareness Campaign:** - The institution is requested to promote the training internally through emails, broadcast groups, and notice boards.

**Academic Flexibility:** - Please make necessary arrangements to release faculty and students from academic duties during training hours to enable maximum participation.

(P.T.O.)

**Session Timeliness:** - As three sessions are scheduled per day, punctuality is crucial to avoid delays and disruption of subsequent sessions.

**Quiz & Prizes:** - To encourage active engagement, each session will conclude with a short quiz, and winners will be awarded prizes.

Let us work together to make this training program a grand success and ensure the effective use of MUHS-Digital-Consortia resources for academic excellence.

Thanking you,
